Forecast for Wednesday 30 Aug 2023

Weather: Some low cloud overnight, with isolated showers. Low cloud lifting and breaking during the morning, with sunny spells developing, but also with further isolated showers developing. Showers could perhaps be heavy with a very low risk of thunder, mainly during the morning. Showers then easing through the afternoon, leading to a dry evening.

Chance of cloud-free hill tops above 600m: 60%, becoming 95% by mid-morning.

Low Cloud and visibility: Areas of cloud, base 500-600m, during the early hours. This lifting and breaking above the summits during the morning. Generally very good visibilities and excellent air clarity, although locally poor or very poor in early low cloud and brief deteriorations in morning showers.

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

Moderate UV levels are likely in sunnier spells, so sun protection is recommended. That said, it will feel chilly early and late on the highest slopes, especially in the wind.

Recent rainfall: measured at Malham: altitude 375m

Recorded at	Last 24 hours:	Last 48 hours:	Last 72 hours:
02:00 on Wed 30 Aug 2023	4.6mm	5mm	5.6mm

Forecast for Thursday 31 Aug 2023

Weather: A clear, chilly start, but cloud thickening through the morning, then lowering into the afternoon with rain likely arriving late afternoon. Rain could be heavy at times, persisting into the evening. Confidence is only moderate in timings, however.

Maximum wind: South-easterly 10-15 mph, gusting 20-25 mph.

Chance of cloud-free hill tops above 600m: 90%, becoming 20% through the afternoon and evening.

Low Cloud and visibility: Cloud bases lowering through the afternoon, to become widespread around 400-500m, perhaps with patches down to 200-300m especially on southeast facing slopes. Visibility good for much of the day, but becoming often poor or very poor in rain and low cloud covering the hills by the evening.

Temperature: **Valleys:** Plus 5C becoming plus 18C.
At 600m: Plus 11C.
Freezing level: Above the hills.
